## Your Chauffeur

Welcome to your journey with SmartExecCars today, our mission is ensuring your comfort and safety, and making your journey a pleasurable one.

Your Chauffeur will if possible always say "yes" to any of your request's, and will do their best to accommodate you. All of our Chauffeurs are DBS qualified and licensed with Rushcliffe Borough Council, and they are always looking for new ways to make your journey more enjoyable.

## Your Comfort & Safety

All of our cars are Long Wheel base models for that extra 15cm of leg room giving Premier class comfort, the centre arm rest is in a down position, please lift back if you prefer.

Situated in the centre console are the Zoned climate and heated seat controls as well as hot/ cold air vents. Please adjust these for your optimum comfort. Privacy glass and rear blinds are also fitted for privacy and comfort on those Sunny days !! All our cars are under the dedicated care of Sytners, should we experience unforeseen circumstances we carry Foil blankets for all passengers as well as a first aid kit. But don't worry we will organise your onward travel.

## Your Breaks & Refreshments

At anytime during your journey, please let your chauffeur know if you require a stop, this can be for a coffee, snacks or a comfort break, this is never a problem, but we would respectfully ask you to consume "hot" food in the services.

Please find in your door pocket, a selection of refreshments that will help you during your journey, these include:

- \*Branded Mineral Water. \*Pack of Tic Tac mints.
  - \*Border Hand Baked Biscuits \*Pack of Pocket Tissues
- Enjoy!!

## Your Office

We understand that many client's need to work during the time with us, so to help, we have available:

- \* Free 4G WiFi
- \* 240v Mains Supply
- \* Phone/ipad Charging
- \* Use of an ipad/Tablet
- \* Free use of Phone/Text

If you have any other requirements, please mention to your chauffeur.

## Your Entertainment

As you could be with us for some time, we have taken care to prepare for your entertainment.

We have the usual DAB radio and CD player, but we can connect our Ipad to our 4G WiFi and also the cars audio system, allowing films & television to be played over the cars speaker system.

Below are some of the Apps we have set up for you, which we hope will cover your needs, but please ask your chauffeur if you need extra assistance.

1000's of Films, Live TV

Radio & Music

\*\* We have lots of games available as well\*\*

## Your Satisfaction

Client satisfaction is paramount and your recommendations to colleagues and friends is the highest compliment you can pay us.

Should there be any part of your journey that was unsatisfactory or there are suggested improvements to our service please:
