

# Why choose Cannon?

Cannon Fire & Security is an independent NSI GOLD company based in Bristol. We have operated in the COMMERCIAL & RESIDENTIAL fire and security industry for over 30 years covering an area including Bristol, Gloucestershire, Wiltshire & Somerset. By combining customer care with experienced engineers and support staff Cannon has become one of the South West's leading fire & security design, installation & maintenance providers.

## Our Support Team

**Our engineers** have extensive experience in their relevant field and undertake continuous in-house and external technical training. They are also trained in customer care and relations meaning clients who started to use us 30 years ago are still using us now.

**Our office team** provide a personal & dedicated service to each of our clients; answering your queries promptly and accurately. They understand how important their role is in enabling our engineers to provide you with great service. We turn up when we say we will and keep our clients informed of any developments on any given job.

**Our surveyors** ensure the on site advice you receive meets your needs and any insurance requirements. Proposals are prepared promptly, with liaison through the pre and post installation phases making sure all expectations are being met.

## Our clients

Cannon Fire & Security offer complete fire & security solutions to a range of small to large commercial properties, public sector and residential. To enable a prompt and efficient response we focus our database to within a 50 mile radius of Bristol including Gloucestershire, Wiltshire & Somerset.

We also takeover & maintain systems installed by other companies to save our clients' money and improve on the service they receive.
