### Event Brief

For this *event*, Cocktail Chemistry will provide, 1 x mixologist, cocktail equipment, shopping list, and management, to deliver a great service, a memorable experience and ensure a successful event. Subject to the nature and size of the event we find the best solution for your needs. This quote based on 3 hours of service with 4-6 drinks & cocktails per a guest.

### Drink Selection TBC! ALCOHOL FREE BAR

- Signature & Classic Cocktails, *Pornstar Martini, Mojito, Gin Garden, Moscow Mule, Very Berry, Lychee Cooler*

### Staff Requirements

1 x Mixologist

### Mobile Bar

No

### Glassware

No

## Canapés, Mains, Desserts-TBC-NO

- Optional chefs, canapés, bowl food or street food.

## Bar Equipment

Each Bartender will have stations with: Shakers, strainer, speed pourers, bar spoons, ice scoops, garnish trays etc.

## Sundries

Client will provide all event supplies: beverage napkins, blue roll, bin bags, sanitizer, etc. To be more environmentally friendly Cocktail Chemistry will no longer use straws in drinks as a default (unless requested by a guest we use *Bio-gradable Straws*).

## Uniforms

All staff to wear black shirt, black trousers, black shoes, unless other outfit required. *If you good at something do it with a style, we love dressing up.*

## BOH/ Clearing/ De-rig

Back of house area to hold stock glassware crates etc. TBC Bar waste will be left at the premises unless Cocktail Chemistry are requested to remove it.

## Venue Access

\*Please note we will need sufficient loading in access for event. If venue does not have adequate loading facilities, we may have to charge any extra parking / manpower that is required to set-up in adequate time. Please allow 30mins to an hour for de-rig. If venue constraints demand a next day de-rig extra costs may be incurred for travel and manpower. Is there step free access?

## Cocktail Chemistry Term & Conditions

### 1. COVID

Cocktail Chemistry uses Rapid tests, masks, face shield, sanitisers, extra care on all our events. We are monitoring and using questioner with all our staff for COVID Symptoms, and We will take every reasonable, proportionate step in accordance with published guidance, to respond to the current (known) risk associated with the Virus. In case of a Cancellation Due to COVID the deposit is full refundable or can be used to reschedule the event up 1 week prior to the event.

### 2. Order Confirmation

Confirmation of an upcoming event must be made in writing. Subject to service offering, a deposit of 50% will be required prior to the event. Post event, the final 50% will be required within 7 days of invoice.

### 3. Changes in Event Details

In the event of a change in guest numbers or service hours, Cocktail Chemistry must be notified at least 7 working days before the event. Changes to drinks choices are subject to availability and there may be charges incurred for last minute changes to these choices.

### 4. Cancellation of Event

If an event is cancelled within 48 hours of the start date 100% of the direct staffing costs will be charged, as well as any other costs incurred. (branding, Accommodation and Bespoke Ingredients) If an event is cancelled within 2 week of the start date, there will be a charge of 50% of the staffing costs. If an event is cancelled with more than 2 weeks notice the cancellation fee will be 25% of the staffing costs.

### 5. Orders

To ensure ordering and stock availability, Cocktail Chemistry need all cocktail choices and other requests confirmed 10 working days prior to event.

Artwork for bar branded is required 2 weeks prior to event. Failure to supply information within these timeframes may incur additional costs.

### 6. Rubbish Removal

Bar waste will be left at the premises unless Cocktail Chemistry is requested to remove it. There will be an additional fee of £1.50 per head if Cocktail Chemistry is requested to remove it. A minimum fee will be charged of £150 for any event below 100 guests.

### 7. Space Requirements

Cocktail Chemistry will require: A secure area back of house for storage purposes, Access to water, Access to power

### 8. Overtime charges

During the event, if Cocktail Chemistry is required to operate additional hours, there will be an additional fee which will be added on to the final invoice.

### 9. Set up & Break down

Subject to the nature and size of event Cocktail Chemistry will need access to the venue 2-4 hours prior to service time. Once guests depart, Cocktail Chemistry will require a minimum of 1 hour to breakdown and clean up their area. Set-up and breakdown hours for staff are included in the hire of a bar. If we are not supplying a bar, these hours will be added to the staffing totals.
