➤ **The vogue doctrine quality service**

➤ **Basic accessory**

**(Ozone(O3) Generator/Ozone Device/Ozonizer)**

The ozone device we used can inject the millions of tiny high concentrations of ozone air bubbles into the water continually, which can inhibit the production of pollutants.

**Optional accessory**

**(Microcomputer Controlling System)**

A perfect microcomputer controlling system combines easy operation with a fresh blue LCD panel. Different functions are shown by images, so you can quickly remember all of the simple, easy to learn operating procedures.

**(Filter System)**

**(Paper Filter)**

With the whole filter system, the paper filter can isolate the floater and dirt efficiently. The Paper filter is set inside the cartridge. And the filter screen of the cartridge can isolate the hair and dirt also.

**(Water Massage Jets)**

The jets have an adjustable direction function, which could achieve a greater effect of the massage. The designs of the shell, seats and jets are to fit the needs and contours of your body. You will enjoy the different feelings and effects of hydrotherapy.

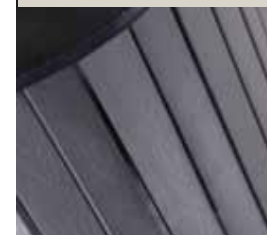

**(High-quality Pipe)**

We choose high-pressure plastic pipe which is not damaged and hide bacteria easily, so as to inhibit bacterial, the smell and stains.

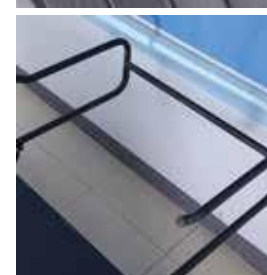

**(Durable Frame)**

frame of our SPA is made of high strength stainless steel tube equipment, so as to ensure the safety and comforts of our products are equally important.

**(Natural Beauty and Low Maintenance)**

We use plastic wooden board, not only beautiful, its solid structure does not need regular maintenance.

**(Cover Lift)**

Stainless, stable and durable. With this, the leather cover can be easily incorporated and laid aside.

**(Audio Devices)**

We have the unique pop-up audio device, you can enjoy both your spa and the wonderful music. You can control all of these through our water-proof remote control equipment at any time.

**(Salty-water clean system)**

Fashionable; high-efficient; floating system.

**(Luxury Heat Insulation Cover)**

**(Safe Lock)**

A Luxury heat insulation cover is added with a safe coded lock, which is a humanization design.

➤ **The vogue doctrine quality service**

**(Home Theater System):**  
**Pop-up TV(Optional)**  
**(Waterproof LCD TV)**  
 The high-resolution LCD screen allows you to enjoy the wide-screen high-quality audio-visual screen when do the SPA of your body. Now we can provide for your excellency luxury touch of pop-up upgrade television system.It' s designed of waterproof.Widescreen,high definition television.

**(Parasol)**  
 Foldable and of reliable quality and fashionable style.Effective against ultraviolet light.

**(Bar&stool)**  
 High-quality, practicality, brilliance.

**(Intelligent Constant Temperature Fitting)**  
 Intelligent Constant Temperature Fitting is with the automatic function of heat protection and the capability is excellent.The build-in automatic temperature sensor keeps the water temperature you set automatically by an intelligent electronic system. You will not feel disappointed at lower and lower water temperatures anymore.

**(Stereo/DVD)**  
 VITON LTD SPA' s stereo/DVD allows you to hear and enjoy the perfect sound of music when you enjoy your spa.

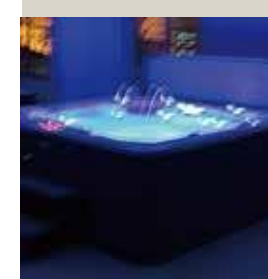

**(Steps)**  
 VITON LTD SPA
